

## Sign up to the Provincial Information Service

The Provincial Information Service has been running for a number of years now and almost 2,400 brethren have signed up to receive regular news bulletins.

There are still however almost 7,500 brethren who have yet to sign up to the service!

Only bulletins that are deemed to be of Province-wide interest will be disseminated in future, thereby keeping the number received down to a couple per week on average.

You can sign up to the Provincial Information Service by clicking the link below. Once there, just enter your name, masonic rank, email address and Lodge number and click the “**Register Now!**” button. It’s as simple as that!

**<http://hiowmasons.org/registernow>**

**Please note: If you already receive bulletins directly from this service, i.e. not via your Lodge Secretary, please do not register again.**

You can also keep up to date with all goings on in the Province by visiting our web page: **<http://hiowmasons.org/>**

**Follow us on Facebook: <http://www.facebook.com/HampshireMasons>**

**or Twitter: <https://twitter.com/HantsMason>**

**or Flickr: <http://www.flickr.com/photos/HampshireMasons>**

This bulletin has been sent to all Lodge Secretaries in the Province who have been requested to include a copy in all communications going out to their members.

It is hoped that the brethren around the Province will respond positively by signing up to the service in order to keep up to date with all that is happening.

**W. Bro. David G Foot, PAGDC  
Provincial Communications Officer**
